## *WELL HELLO THERE*

---

So thankful to have the opportunity to be considered. I can't wait to hear all about your big day plans. The greatest gift we have ever received is time. Time to live, enjoy, laugh, and love. I photograph as much of life as I can in order to preserve each of those moments as they once were. Your wedding day is unique to you and with every couple we strive to capture the moment as it is and in a way that conveys exactly how that moment in time felt to you.
